Bid Amendment No. 1

Dear Sir/Ms.:

Please make the following changes to your Bid Package.

1. Delete in its entirety the Federal Wage Rates "General Decision ME020009" three pages, dated 04/18/03 and replace with the attached Federal Wage Rates "General Decision ME030009" three pages, dated 06/13/03.
2. Delete "Special Provision Section 107 Prosecution of Work and Supplemental Liquidated Damages", one page, dated May 29, 2003 and replace with the new attached one page "Special Provision Section 107 Prosecution of Work and Supplemental Liquidated Damages" dated June 12, 2003.
3. Add Special Provision Section 203 Excavation and Embankment (Dredge Materials) one page, dated 11 June 2003.

Consider these changes prior to submitting your bid on July 2, 2003.

Sincerely,

Bruce R. Carter
Contracts Engineer

=====

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29 CFR 5.5(a)(1)(ii)).

In the listing above, the "SU" designation means that rates listed under that identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U. S. Department of Labor
200 Constitution Avenue, N. W.
Washington, D. C. 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request

review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N. W.
Washington, D. C. 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U. S. Department of Labor
200 Constitution Avenue, N. W.
Washington, D. C. 20210

4.) All decisions by the Administrative Review Board are final.
END OF GENERAL DECISION

SPECIAL PROVISION
SECTION 107
PROSECUTION OF WORK
and
SUPPLEMENTAL LIQUIDATED DAMAGES

The Contractor shall plan and conduct his operations in such a manner that the bridge will Closed to traffic for three (3) consecutive calendar days within the period of **Monday thru Thursday**.

Once the contractor commences work on this project the work shall be continuous through completion.

The contractor shall have the roadway open to traffic on or before August 25 prior to the opening of the school year.

Supplemental liquidated damages will be assessed the contractor at the rate of one thousand dollars (\$1000.00) per day for each day that the bridge remains incomplete beyond the above mentioned time.

This assessment of liquid damages will be in addition to the liquidated damages specified in section 107 of the Department of Transportation Standard Specification.
